Registrations automatically renew yearly.

Categories and judging are the same. The show will run longer this year. The judging begins the beginning of January. Results by Jan. 25th.

Treasurer's Report:

John Michael reported the budget is estimated @ \$15,876.53

Youth Art Month:

Kerry Bart Raber

NAEA conference conflicts with the hanging of the YAM show. Sue Gallagher kindly offered to hang it.

Kerry's proposal is to get the school submissions for the School Flags Across the US - in by October, so we can make a decision at the Nov. conference, because the National deadline is early December.

Christopher and Cory met with Barry at BU and saw two spaces that YAM could use. We'd need a small committee to set up. First opportunity in 2013.

Tim expressed deep frustration about this.

Christopher accepted responsibility for approaching Barry.

Sargent Youth Art Award: asked MAEA to pick an award winner

They want a logo on our website, which would be a link to their website - Christopher in favor - and they want 2 copies of the newsletter that includes an their logo and gives them credit. Christopher would like to form a small a committee to determine how-to resolve. Sue and Cory have offered.

Art All State:

AAS 25th year anniversary. Steering Committee meeting this Monday, planning a major celebration and looking for funding. June suggests an Alumni component. Sue suggests a slide show going all the way back. Christopher would like to see a mini-AAS for Alumni. For the sweet 16, we did a poster featuring self portraits. Nicole suggests that Alumni mentor current youth artists. June suggests that they could go back to their old high schools, if possible.

AAS is going all digital, with essays, photos, etc.

AAS celebration exhibition at MassArt. It is a result of the award from last year.

Coni: Any news about Art All Stars? A: Unfortunately, no - not enough funding. Diane Daily of the MCC expressed interest on behalf of the Mass Cultural Council, but funding is another matter.

Fall Conference 2011

Sub committee will discuss the conference details tomorrow.

Jonathan Rappaport of Arts | Learning has requested to make a group presentation about a program at our conference regarding a professional development opportunity.

The schedule is too tight, sets a bad precedent, or possibly a workshop.

Tim asks whether a workshop is more appropriate?

Website Update and Review:

Now reflects constant contact blast. The website has a lot of need during the time of the conference - paypal, info,, reg. form, etc etc

NING site:

Greg Barry created, not many MAEA members use it. NING is now charging \$20 / year. Carol Vogel asks whether Greg could teach a workshop at MAEA '12.

He has stepped down for the board for 1 year.

June moves to keep it and track it for a year, and revisit in 1 year. Carol seconded.
