

**BAC SUMMER
ACADEMY
DESIGN
EXPLORATION**

For High School Students
Grades 10 & ABOVE
July 5 - 29 M-F

Spend four-weeks this summer exploring architecture and design through hands-on projects in the Boston Architectural College design studios downtown in the Back Bay.

PLEASE JOIN US FOR OUR SUMMER ACADEMY 2011 APRIL OPEN HOUSE + INFORMATION SESSION

WEDNESDAY APRIL 20 1-3pm

1:00 - 2:00 Summer Academy Program Overview

Including information about available scholarship options, tour of the studios, Q + A
BAC Room 307, 320 Newbury Street

2:00 - 3:00 BAC Gallery Tour & Gallery Talk with the Architects

"Integrated Design Strategies"

The Collaborative Work of Behnisch Architekten and Transolar

KlimaEngineering

BAC McCormick Gallery, 320 Newbury Street

This is a great opportunity to experience the work of an international architecture firm and a climate engineering firm in the BAC's interactive exhibition. The firms are acclaimed for working collaboratively on vibrant, environmentally responsible, sustainable designs.

Learn more about the architectural projects and field trips that are all part of BAC Summer Academy. We will walk you through a typical day of studio work and exploration of the world of design and the city of Boston .
